Mr. F. G. Simpson,
59 Academy St.,
Wallingford, Conn.

My Dear Mr. Simpson,

Your letter received and noted. I talked to Mr. Reed and the pages come with openings on both sides so as to show the ~~mxx~~ obverse and reverse. It takes three (3) pages for the Indian head cents and five (5) for the Lincoln cents. They come printed or plain whichever you wish and cost 60c. per page. They do not have the binders as they cannot get the material so each page is separate.

Shall be glad to get them for you if you want them. Some day when I get up to the store room will see if I can find a Beckwith catalogue for you.

Hope this finds you well and shall be glad to see you when you are down this way. With best wishes, we are,

Yours very truly,
